## *"Bringing Art to the Community"*

**We are Pleased to Announce another Community Project by: Commercial Center Business Association, paid for by generous contributions from businesses like yours. In an effort to bring Art & Culture to the Community, and to discourage Vandalism we have selected Artist *Howard Freeman* whom will be hand painting a different country flag on dumpsters & selected walls throughout the Commercial Center. Statistics show that Mural Art Discourages Graffiti. We hope to Lower or eliminate this problem completely while providing lasting works of Beauty. Mr. Freeman's Creative Work includes Children's Murals and Commercial Art, his Art can be viewed at:**
